ICE HOCKEY PUCKS

The production of ice hockey pucks in Rubena has a long tradition for more than 30 years. The parameters of the pucks meet the strictest requirements Canadian-American NHL or IIHF.

Our range includes not only pucks for adult ice hockey (matches and training) but also the pucks for the youth. Moreover, ice hockey pucks with graphics made for promotional purposes, are very significant.

Our pucks are used by ice hockey players and collected by ice hockey fans in the Czech Republic and central Europe, Scandinavia, Russia, and in the cradle of ice hockey, Canada and USA.
